

Hygienic Certification regarding EC-Regulation for Food Related Products

We hereby declare that our products specified in the annexe comply with:

- the Regulation 1935/2004 (EC, dd 27.10.2004) for material in contact with food
- the German Food & Feed Acts LFGB (§§ 30, 31)
- the German Consumer Goods Ordinance (BedGgstV) in its current version...
... especially with the adjustments resulting from 178/2002 (EC dd 28.01.2002) and 1642/2003 (EC, dd 22.07.2003) "General Food Law"
- the Ordinance 2023/2006 (Good Manufacturing Practice – GMP)
- Product Safety Directive 2001/95/EG
- the Regulation 10/2011* (EU, dd 14.01.2011 respectively 2015/174 (EU, dd 05.02.2015) and 282/008 (EC) for Plastics in contact with food

*)From the used plastics no hazardous particles or substances can migrate into food. They do not contain substances in a concentration above 0,1% of those listed in the Candidate List of Substances of Very High Concern for Authorisation (dd. 15.01.2018 or current version), published by the ECHA according to the REACH regulation EG Nr. 1907/2006 dd 01.06.2007.

Further, they do not contain substances

- . subject to limitations and/or specification
- . with dual use
- . with some functional barrier

- the Regulation 284/2011 (EU, dd 22.03.2011): The plastic materials have been tested and analysed by accredited laboratories and admitted for food contact

Furthermore, we confirm that all legal regulations/directives valid in the Federal Republic of Germany and the European Community are respected.

The used stainless steel materials are 18/10 and 18/0 (AISI 304 = X5CrNi18 10 + AISI 430 = X6Cr17).

All materials: Plastics, steel, aluminium, tin are non toxic and food safe and the products support the HACCP concept.

This declaration does not apply if the products are used for other than the original purpose or if the products are modified by the client.
