

DECLARATION OF COMPLIANCE

For materials made from plastic intended to come into contact with food

Manufacturer:

Mepal BV
Aalsvoort 101
7241 MB Lochem
The Netherlands

Hereby Mepal B.V. declares that our products:

Articlenumber	Item
102502531400	mixing bowl margrethe 500 ml - pebble white
102502731400	mixing bowl margrethe 750 ml - pebble white
102503731400	mixing bowl margrethe 1.5 l - pebble white
102504731400	mixing bowl margrethe 2.0 l - pebble white
102506731400	mixing bowl margrethe 3.0 l - pebble white
102512731400	mixing bowl margrethe 4.0 l - pebble white

comply with the legal regulations laid down in the Regulation (EU) No 10/2011 as well as Regulation (EC) No 1935/2004, both in their relevant versions.

When used as specified, the overall migration as well as the specific migration do not exceed the legal limits.

The test was performed according to Art. 17 and 18 of Regulation (EU) 10/2011 in conjunction with Annex V. The materials and raw materials used comply with the respective stipulations laid down in the European Regulation 10/2011/EC ff.

The following substances, subject to limitations and/or specification, according to Annex I in EC regulation 10/2011/EC and Commission Regulation (EU) 1282/2011, are used in the above mentioned products:

Name of substance:	CAS No.	Specific migration limits:
Melamine	108-78-1	2.5 (mg/kg)
Formaldehyde	50-00-0	15 (mg/kg)

Based on information obtained from our raw material supplier, we declare that there are no dual use substances processed in our above mentioned products.

A functional barrier made from plastic is not used in the above mentioned products.

Specification of the intended use or limitations:

- Type or types of food or processes for which the material is suitable:
All food types
This product is suitable for usage in a dishwasher
- Type or types of food or processes for which the material is not suitable:

DECLARATION OF COMPLIANCE

For materials made from plastic intended to come into contact with food

This product is not suitable for usage in microwave or freezer

- Test conditions:
Overall migration: 10 days at 40°C, used simulants A, B, 95% ethanol and 2 days at 20 °C simulant Iso-octane
Specific migration melamine: 10 days at 40°C, used simulant B (repeated use)
Specific migration formaldehyde: 10 days at 40°C, used simulant B (repeated use)
- Ratio of food contact surface area to volume used to determine the compliance of the article:
Volume ratio = 6 dm²/ kg

This declaration is valid for the products delivered by us as specified above. The Regulation (EU) 10/2011 provide a guideline for the selection of test conditions to be used for various food products.

The products does not apply any danger to health or environment according to article 3 in Framework Regulation 1935/2004/EC. The products are manufactured according to Regulation 2023/2006/EC on good manufacturing practice. The products comply with current legislation on food contact materials made of plastic (Regulation 10/2011/EC).

Mepal B.V. commits itself to inform you when there are any changes in the formulation of the products or if any changes in the regulation affect the products.
