When used as specified, the migration of the metals does not exceed the GMP-limits of the “guidelines on testing conditions for articles in contact with foodstuffs” of the European commission. The testing was performed according to these guidelines.

The declaration of conformity for these products is issued after inspection of an accredited laboratory.

The organoleptic tests executed on our behalf discovered no inadmissible influence on the food having been in contact with the products.

Specification of the intended use or restrictions:

- Foodstuffs, that may come into contact with the material:
all kinds of foodstuffs
- Scope of the articles:
dishwasher safe
